

Mobile Food Vendor Application Checklist

This Checklist is intended to help provide the information and data needed for a complete application. A request for a Mobile Food Vendor application requires approval by staff. For questions, please contact Development Services at 512-352-3675 Option 3.

Incomplete applications will not be accepted.

Digital Submission Requirements

The City of Taylor uses a digital review system called My Government Online (MGO) which requires certain digital submittal standards. You will need to create an account and place your request in MGO www.mygovernmentonline.org . All communication for your project will be through this portal. For more detailed information and troubleshooting, please review the *MyGovernmentOnline* User Guide at: www.taylortx.gov/DocumentCenter/View/9975/Building---MyGovernmentOnline-Instructions?bidId= Or you can contact the MGO help desk at (866)957-3764 or send a message at <https://www.mygovernmentonline.org/#contactus> .

Application Fee

Application fee will be assessed once the application is accepted. Fees must be paid at the time payment notification is made. Failure to pay the fee will cause the application to be incomplete and void in the system. The application fee schedule is available at: <https://www.ci.taylor.tx.us/DocumentCenter/View/6981/FY2022-23-Fee-Schedule?bidId=>

Required Documents

The following paperwork must be submitted as a PDF electronically to your case in MGO:
